[Women's Health and Equality Queensland](#) Board Position

Women's Health and Equality Queensland are leaders in women's health, gender equality and the primary prevention of violence. We have been Queensland's state-wide women's health organisation for over 40 years and our vision is that all women have safe and inclusive communities in which they are resourced to live their best lives. We are a not-for-profit organisation whose purpose is to advance the health and wellbeing of all Queensland women. You can view our Strategic Plan [here](#).

Women's Health and Equality has four strategic approaches to improving outcomes for women:

1. Increase access and health equity- We take a collaborative and intersectional approach to identifying and remedying health care gaps for women in Queensland.
2. Influencing change in communities through primary prevention of violence, gender equity programs and policy advice to Government to create structural reform.
3. Build capability of organisations that support women and marginalised communities through education and training, and partnerships.
4. Sustainability – in all that we do, Women's Health and Equality focuses on holistic and sustainable environmental, organisational and community practices.

We are currently seeking board members with a passion for women's health and gender equity, with skills in accounting. We welcome applications from women with diverse backgrounds, experiences and cultures.

Position Description and Requirements:

- Demonstrated interest and commitment to equality and safety for women and marginalised groups.
 - Committed to working in a collaborative and proactive way that fosters an inclusive and supportive environment and advances Women's Health and Equality as an organisation.
 - Able to attend monthly board meetings (third Wednesday of the month 7.30am-9am)
- AND
- A qualified accountant or someone with extensive experience in financial management
